Youth & Teen Classes

MUSIC

GUITAR LESSONS Ages 9-Adult

Instructor: Norm Compton

Pop, rock, country, or blues, easy step by step instruction during this 4-week course will have you playing your favourite songs in no time. Students will learn to read music and strum chords in these ½ hour long private lessons. Students are to bring their own guitar.

Sessions available between 3:30-6:30 on the following dates:

September 7 to 28 (every Tues) or September 9 to 30 (every Thurs)

October 5 to 26 (every Tues) or October 7 to 28 (every Thurs)

November 2 to 30 (every Tues except Nov 9) or Nov 4 to Dec 2 (every Thurs except Nov 11)

Members \$110 | Non-Members \$125

KEYBOARD MUSIC LESSONS Ages 5-14

Instructor: Melly Oey

These once-a-week individual lessons are an introduction to reading music, learning about rhythm and beats, and playing by ear. During this 10-week course, students will have fun and quickly learn the basics of music and how to play the electric keyboard using both hands with accompanying rhythm and chords. Beginners and those who have taken music lessons before are welcome. Students can choose either 30 minute or 1-hour long lessons. Sheet music is included in the class cost.

Sessions available between 10:00-8:00 on the following dates:

September 14 to November 16 (every Tues)

September 15 to November 17 (every Wed)

September 16 to November 25 (every Thurs except Nov 11)

Members \$220 | Non-Members \$235

DRAWING

PORTRAIT & HUMAN FIGURE DRAWING Ages 11-14

Instructor: Svetlana Shkuratova

This class will focus on realistic portrait and figure drawing. Students will learn about the human face and body proportions, and through contour and gesture drawing create a few portraits in different viewpoints and poses. Price includes all materials.

September 13 to October 4 (every Mon) 3:00-5:00

Members \$120 | Non-Members \$135

DRAWING BIRDS Ages 8-12

Instructor: Svetlana Shkuratova

Expand your drawing skills by learning to depict birds. During this 5-week course, students will get a general overview on how to draw birds realistically, as well as try their hand at drawing a variety of specific birds and birds of their choice. Knowledge of drawing basics is desirable. Price includes all materials.

September 15 to October 13 (every Wed) 3:00-5:00

Members \$145 | Non-Members \$160

DRAWING PLAYGROUND Ages 7-10

Instructor: Svetlana Shkuratova

This class is an experimental playground of various drawing techniques and mark-making. Through lots of short exercises and mini projects, students will explore different drawing media such as pencil, pen and charcoal while getting introduced to the basic drawing elements such as line, shape, values and texture. Price includes all materials.

September 16 to October 14 (every Thurs) 3:00-5:00

Members \$145 | Non-Members \$160

DRAWING

OBSERVATIONAL DRAWING Ages 10-14

Instructor: Svetlana Shkuratova

Drawing is a great way of researching, developing, and communicating ideas. Observation drawing helps children learn about the world, improves their observational skills, develops creative thinking, and builds confidence. Once we can draw from observation we need no tricks, no guidebooks, no formulas and no stereotypes. This course will involve learning to “see” and draw essential visual elements such as line, shape, form, value, space and texture, and studying ways to organize them. Through gradual building up of drawing skills, students will be guided to a final project at the end of the course.

October 18 to November 22 (every Mon) 3:00-5:00

Members \$170 | Non-Members \$185

DRAWING ANIMALS Ages 8-12

Instructor: Svetlana Shkuratova

Animals are fascinating models and learning to draw them is a great way to expand your art skills. During this 5-week course, students will get a general overview on how to draw realistic animals, as well as try their hand at depicting specific ones like cats, dogs, horses, and animals of their choice. Knowledge of drawing basics is desirable. Price includes all materials.

October 20 to November 17 (every Wed) 3:00-5:00

Members \$145 | Non-Members \$160

PAINTING

INTRODUCTION TO ACRYLICS Ages 8-14

Instructor: Svetlana Shkuratova

During this beginner course students will learn basic techniques of working with acrylic paints and will be introduced to colour mixing. Each class will be devoted to a small project allowing students to bring a finished work home. Price includes all materials.

September 14 to October 12 (every Tues) 3:00-5:00

Members \$140 | Non-Members \$155

PAINTING

WATERCOLOUR BASICS Ages 8-14

Instructor: Svetlana Shkuratova

Discover the flowing magic of watercolour. During this course students will become familiar with colour mixing and the properties of watercolour. Through fun exercises they will learn basic techniques of working with this medium and create their own watercolour projects. Price includes all materials.

October 26 to November 23 (every Tues) 3:00-5:00

Members \$157 | Non-Members \$172

PRINTMAKING

CREATING CYANOTYPES Ages 7-12

Instructor: Christine Kashuba

Let the sun help you to create art! Learn how to create solar prints. Participants will create cyanotypes on paper with their own design using a variety of found objects. The images created will vary depending on the time of exposure and the objects used. Each person will create two cyanotypes to take home. If you have a favorite leaf, feather, or other relatively flat object you can bring it with you to incorporate into your design. Price includes all materials.

September 18 (Saturday) 9:30-12:00

Members \$50 | Non-Members \$65

SCREEN PRINTING Ages 12-16

Instructor: Christine Kashuba

Unleash your creativity and explore the world of screenprinting. Students will have the opportunity to learn the basics of screenprinting and experiment with different ways to create screenprinted images. Bring a t-shirt to the last class to print your own image on it. Price includes all other materials.

October 14 to October 28 (every Thur) 3:30-5:30

Members \$110 | Non-Members \$125

PRINTMAKING

BLOCK PRINTING Ages 10-14

Instructor: Christine Kashuba

This fun and easy form of printmaking is one of the oldest techniques. This hands-on process will include creating a design on a block and printing it. The students can make multiple prints of the same image and print them on a variety of surfaces to create art that can be framed, made into cards, or given as a gift. Price includes all materials.

October 19 & October 26 (every Tues) 3:30-5:30
Members \$65 | Non-Members \$80

CLAY

PLAY WITH CLAY Ages 5-6

Instructor: Emily Fraser

Through a series of guided activities, you will learn the basic techniques of building forms in clay. In each class, students will be introduced to new hand-building techniques and will create original clay work. Price includes all materials.

October 23 to November 13 (every Sat) 10:00-11:30
Members \$90 | Non-Members \$105

BUILDING WITH CLAY Ages 7-9

Instructor: Emily Fraser

Through demonstration, explore clay techniques as you build various forms. Students will be introduced to new hand-building techniques in each class and be challenged to get more creative and complex with their projects. Price includes all materials.

October 18 to November 8 (every Mon) 4:00-5:30
Members \$90 | Non-Members \$105

CLAY

CLAY HANDBUILDING Ages 8-12

Instructor: Quinn Vienneau

In this 4-week class, students will learn to hand build fun and functional clay pieces. Work will be ready for pick up a couple weeks after the last class. Price includes all materials.

Date Options:

September 9 to 30 (every Thurs) 3:30-5:00

October 7 to 28 (every Thurs) 3:30-5:00

Members \$90 | Non-Members \$105

TEEN CLAY HANDBUILDING Ages 13-16

Instructor: Stephanie Lawton

In this 4-week class, students will learn the basics of handbuilding with clay through a series of fun projects. Pieces will be ready for pick up a couple weeks after the last class. Price includes all materials.

October 5 - 26 (every Tues) 6:00-8:00

Members \$90 | Non-Members \$105

FIBRE

FUN WITH FIBRE Ages 8-10

Instructor: Emily Fraser

Explore creating an abstract or scenic picture using recycled fibre and wool roving. Collage with Colour! Tamper with Texture! Leave with a framed piece and ideas for more! Price includes all materials, but you are welcome to bring along something you would like to incorporate into your art.

October 16 (Sat) 10:00-12:00

Members \$35 | Non-Members \$50

ADULT CLASSES

MUSIC

GUITAR LESSONS Ages - Adult

Instructor: Norm Compton

Pop, rock, country, or blues, easy step by step instruction during this 4-week course will have you playing your favorite songs in no time. Students will learn to read music and strum chords in these ½ hour long private lessons. Students are to bring their own guitar.

Sessions available between 3:30-6:30 on the following dates:

September 7 to 28 (every Tues)

September 9 to 30 (every Thurs)

October 5 to 26 (every Tues)

October 7 to 28 (every Thurs)

November 2 to 30 (every Tues, no class Nov 9)

November 4 to December 2 (every Thurs, no class Nov 11)

Members \$110 | Non-Members \$125

KEYBOARD MUSIC LESSONS - Adult

Instructor: Melly Oey

Have fun learning to play the electric keyboard during these individual lessons. Quickly learn how to play songs with accompanying rhythm and chords together. Students will also have the option of learning how to operate the features of the keyboard. Beginners or anyone interested in improving their skills are welcome. During this 10-week course, you will be surprised how easy and fun it is playing music on the electric keyboard! Sheet music is included in the price.

One-hour sessions available between 10:00-8:00:

September 14 to November 16 (every Tues)

September 15 to November 17 (every Wed)

September 16 to November 25 (every Thurs, no class Nov 11)

Members \$430 | Non-Members \$445

DRAWING

DRAWING FOR THE ADULT BEGINNER

Instructor: Sharon Rose | Skill Level: Beginner

Think you can't draw? Think again! The ability to draw depends upon acquiring the ability to see the way an artist sees, and this kind of seeing can marvelously enrich your life. Students will learn six perceptual skills which, when learned and practiced, will grant you the ability to see as artists see. Price includes all materials.

September 28 to November 16 (every Tues) 1:30-4:00
Members \$275 | Non-Members \$290

HAPPY ART - FINDING YOUR ZEN

Instructor: Nancy Vince | Skill Level: Beginner

Join Nancy Vince and create happy doodle art. In this class she will show the progression of creating a piece from the pencil sketch to the finished artwork. Begin by creating your ideas in pencil, then use a pen to work in the details, and lastly add colour to the art piece you create. She will demonstrate some of the Copic Marker shading techniques and products she uses to create her artwork in addition to showing what you can do with the art you create. Price includes all materials.

October 14 to 28 (every Thurs) 1:00-3:00
Members \$102 | Non-Members \$117

PAINTING

OPEN ART

Instructor: Tina Siddiqui | Skill Level: All Levels

Painting, drawing, mixed media or...? Work in the medium and subject of your choice, with instructor support. Attempt something new or finish works that have been put away. As it is an open class, learn by watching others creating works in different styles and mediums. If unsure of what materials to bring, contact the instructor through the Arts Centre.

BEGINNERS ACRYLICS

Instructor: Charley Hampton | Skill Level: Beginner

Learn to understand acrylic paint, colour theory, composition and the basic tools and techniques to create with acrylics. Students will be introduced to acrylic paints and will learn a variety of ways to create with them. Students will be encouraged to tap into their natural creativity in a fun, supportive and flexible environment. Painting is messy, so wear clothes that you don't mind getting paint on! Students should bring an apron, 8x10" or larger sketchbook, and a pencil. Price includes all other materials.

Date options:

September 8 to October 6 (every Wed) 5:30-8:30
October 13 to November 10 (every Wed) 5:30-8:30
October 18 to November 15 (every Mon) 9:30-12:30
Members \$240 | Non-Members \$255

PAINTING

BRUSHLESS ACRYLICS

Instructor: Tina Siddiqui | Skill Level: All Levels

The main objective of this course is to create contemporary paintings with little or no use of a paint brush. Yes, it is possible, easy, and fun! The versatile medium of acrylics can be used in opaque and transparent consistencies depending on the required result. During this course, a variety of subjects as well as total abstraction will be explored using acrylics in both forms.

Supplies to bring:

canvas boards/canvas, acrylic paints, (an additional tube of white is recommended), a few paintbrushes, foam/sponge roller, green painter's tape (wide and narrow), sponge, saran wrap, water mister, pieces of scrap cardboard, and source pictures of subjects of your choice.

September 7 to 28 (every Tues) 1:00-4:00

Members \$145 | Non-Members \$160

INTRODUCTION TO ABSTRACT PAINTING

Instructor: Charley Hampton | Skill Level: Beginner

This workshop is designed for individuals who are new to painting as well as more experienced artists. Explore your untapped creative potential and learn to loosen up your painting technique. In an interactive environment, inspired by real life and photo images, participants will create their own abstract painting. Students should bring an apron. Price includes all other materials. A one-hour lunch break will be provided.

September 11 (Saturday) 10:00-4:30

Members \$115 | Non-Members \$130

ABSTRACT PAINTING II - NEXT STEP

Instructor: Charley Hampton | Skill Level: All

This class is designed for artists who have completed the "Introduction to Abstract" or have experience with acrylic paint but would like to learn more about creating abstract art. Participants will review the principles of activating a canvas. Then they will explore adding different elements to their acrylic work to create a mixed media abstract piece. A one-hour lunch break will be provided.

Supplies to bring: an apron, a selection of brushes, palette knives, any other mark making tools, mixed-media items, and acrylic paints (Primary Red, Primary Blue, Primary Yellow, Black, White). Price includes all other materials.

October 9 (Saturday) 10:00-4:30

Members \$90 | Non-Members \$105

PAINTING

ABSTRACT AND MIXED MEDIA - ANOTHER LEVEL

Instructor: Charley Hampton | Skill Level: All

This class is designed for artists who have experience with abstract painting and want to do more with texture and different mediums. Participants will add to their mixed media skills using texture building materials. A one-hour lunch break will be provided on Saturday.

Supplies to bring: an apron, acrylic paints, paintbrushes, palette knives, and any other mark making tools and multi-media items they would like to use.

November 19 (Friday) 5:30-8:30 & November 20 (Saturday) 10:00-4:30

Members \$120 | Non-Members \$135

MODERN WATERCOLOUR

Instructor: Anastasia Anikeychik | Skill Level: Beginner

This 6-week beginner course is designed to help students understand watercolour basics, explore pigments and learn how to mix them, and gain knowledge of washes and painting techniques. These step by step lessons will help you paint with confidence even if you have never painted before. Have fun while painting a variety of beautiful subjects: landscapes, flowers, and animals. All materials are included.

September 23 to October 28 (every Thurs) 10:00-12:00

Members \$210 | Non-Members \$225

CHALK PASTEL PAINTING

Instructor: Tina Siddiqui | Skill Level: All Levels

Pastels are an easy colour medium, allowing adjustment with forms and tones at any stage. They respond instantly with their vibrant colors as all the color mixing takes place on the painting surface and no palette is used. Explore the bold innovative style or subtle soft effects for rendering delightful paintings of subjects of your choice. New and experienced painters welcome.

Supplies to bring: Colored pastel papers (mid tones) pastel pencils, soft/chalk pastels, putty eraser, an old paint brush, fixative spray, source pictures.

October 5 to 26 (every Tues) 1:00-4:00

Members \$145 | Non-Members \$160

PAINTING

PEN & INK AND WATERCOLOURS

Instructor: Tina Siddiqui | Skill Level: All Levels

The age-old rendition of images in pen and ink has stood the test of time. Subjects for this course are entirely your choice. Different styles of making marks on paper and incorporating watercolour to create the finished work are covered in the course.

Supplies to bring: Watercolour paper, watercolour paints, brushes, palette, drawing pencil, black/brown waterproof ink, drawing pens (fine, medium, heavy), masking tape, source pictures, hair dryer.

November 2 to 16 (every Tues) 1:00-4:00

Members \$110 | Non-Members \$125

KEEP YOUR BRUSHES WET

Instructor: Gail Short | Skill Level: Beyond Beginner

This is a course designed for people who already have some basic painting skills. Painters wanting some challenges to keep them on their toes and inspire them will enjoy this class. The course includes various projects created to keep you painting, hone your existing skills, develop new ones, and to have fun! Students may work in the medium of their choice. There is no materials list, students should bring whatever materials they want to work with.

Date Options:

September 9 to October 7 (every Thurs) 1:00-4:00

October 18 to November 15 (every Mon) 9:30-12:30

Members \$160 | Non-Members \$175

CREATIVE INTENTIONS MIXED MEDIA COLLAGE WORKSHOP

Instructor: Meghan Budd | Skill Level: All

Students will create a mixed media collage to represent their dreams and desires. Each person will consider what they would like to attract into their life and embody those intentions in their artwork. Building a picture of your dreams aids in goal setting and the creative process helps to create new neural pathways for us to set more positive habits. Optional supplies to bring: personal imagery like photos, paper, notes to personalize your work. Price includes all other materials.

October 2 (Sat) 1:00-4:00

Members \$50 | Non-Members \$65

PRINTMAKING

GELLI PLATE PRINTING

Instructor: Svetlana Shkuratova | Skill Level: All

Gelli printing is a form of mono-printing done with a gelli plate and acrylic paint. It is a fun and easy technique leading to fascinating results. In this class students will be introduced to gelli plate printing, get some basic knowledge of composition, and create a few prints, which can be taken to a further visual exploration. All materials are provided.

September 25 (Saturday) 9:30-12:30

Members \$60 | Non-Members \$75

TINFOIL COLLAGRAPH

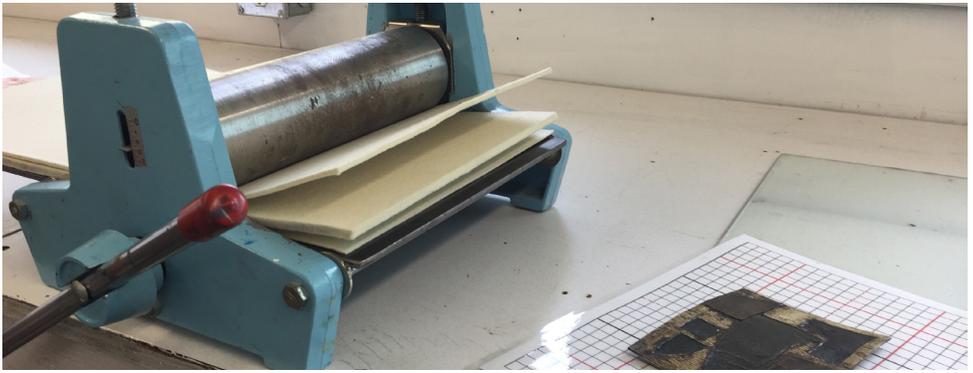

Instructor: Svetlana Shkuratova | Skill Level: All

Discover the versatile and expressive world of collagraph printmaking with the tinfoil collagraph technique, a fun and simple introduction to printing. In a relaxed atmosphere, students will go through each step to create a print including building a plate, preparing the ink and paper, and using the printing press. This class will qualify members to use the VCAC print studio on a drop-in basis.

Supplies to bring: an apron or an old shirt, a sketchbook, a folder for completed prints and some materials to create texture (eg, tissue paper, embossed paper, thread, dry flattened leaves, feathers, etc.) All other materials are provided. There will be a 30 min lunch break provided.

October 16 (Saturday) 10:00-4:00

Members \$105 | Non-Members \$120

PRINTMAKING

CARDBOARD COLLAGRAPH

Instructor: Svetlana Shkuratova | Skill Level: All

Continue exploring the versatile and expressive world of collagraph printmaking with the technique of cutting an image into a matboard plate and building textures on top. Students will go through each step required to create a print: building a plate, preparing the ink and paper, and using the printing press. This class will qualify members to use the VCAC print studio on a drop-in basis.

Supplies to bring: an apron or an old shirt, a sketchbook, a folder to put prints into and a reference image. All other materials are provided.

November 19 (Friday) 5:30-8:30 & November 20 (Saturday) 10:00-1:00

Members \$107 | Non-Members \$122

CLAY

CLAY & CABERNET FRIDAYS

Instructor: Cathy Toll | Skill Level: All Levels

Join us on the second or fourth Friday of each month to learn some basic clay hand-building skills, while enjoying a glass of wine and having a few laughs. For each workshop, the instructor teaches a different project to keep the class interesting for those that wish to attend more than once. No experience necessary. Projects will be glazed and fired and ready for you to pick up a few weeks after class. Please leave rings, bracelets, and watches at home. Price includes all materials and your beverage. Participants must be 19 years or older.

GLASS

FUSED GLASS BOWL

Instructor: Patricia Doyle | Skill Level: Intermediate

Learn how to make a mosaic-style fused glass bowl. Students will design, cut, and assemble the glass to make their own unique 8–10-inch bowl. Projects will be fired and ready for pick up a few days after class. This class is intended for students with beginner experience who want to learn new skills, and will qualify members to use the glass studio on a drop-in basis.. Price includes use of tools and all materials. Please wear closed toed shoes

September 4 (Sat) 12:30-4:30

Members \$100 | Non-Members \$115

SQUIGGLES & WIGGLES & MORE

Instructor: Patricia Doyle | Skill Level: Intermediate

Using a torch and thin strips of glass we will heat, pull, bend, and manipulate compatible glass to use in future fusing projects. Ideal for stems and organic shapes that are not possible with regular cut glass. This class is intended for students with glass fusing experience who want to learn new skills. Price includes use of tools and all materials. Please wear closed toed shoes and cotton clothing.

October 16 (Sat) 12:30-4:30

Members \$90 | Non-Members \$105

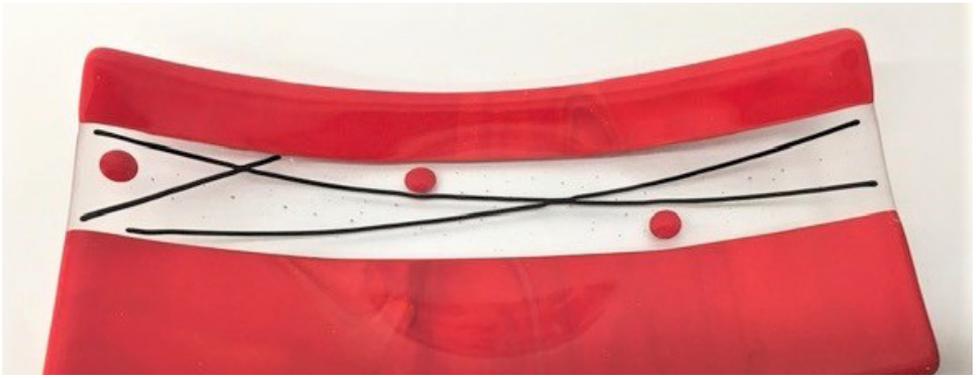

FUSED GLASS PENDANTS

Instructor: Patricia Doyle | Skill Level: All

This is a great class for both beginners and those who have played with fused glass before. In this 2-hour, informative and fun course you will learn some of the basic skills needed to start creating fused glass projects on your own, including glass cutting, grinding, material control, layering, kiln knowledge, and more. You will make four lovely, fused glass pendants. All glass and working supplies are provided. Projects will be fired and ready for pick up a few days after class. Please wear closed toed shoes.

October 19 (Tues) 6:00-8:00

Members \$55 | Non-Members \$70

GLASS

FUSED GLASS NIGHT LIGHT

Instructor: Patricia Doyle | Skill Level: All Levels

This is a great class for beginners and those who have played with fused glass before. In this informative and fun course you will learn some of the basic skills needed to start creating fused glass projects on your own, including glass cutting, grinding, material control, layering, kiln knowledge, and more. All glass, nightlight hardware and working supplies are provided. Projects will be fired and ready to pick up a few days after class. Please wear closed toed shoes.

October 20 (Wed) 6:00-8:30

Members \$60 | Non-Members \$75

GLASS BEADMAKING 101

Instructor: Patricia Doyle | Skill Level: All

This beginner's level workshop introduces the art and science of glass beadmaking. Using a bead maker's torch and rods of Italian glass, students will learn basic bead shapes, decorating techniques, use of hand tools, glass theory and safety. Students will go home with as many glass beads they can create in the allotted time. A half hour lunch break will be provided. Price includes use of tools and all materials. Please wear closed toed shoes and cotton clothing.

November 13 & 14 (Sat & Sun) 9:30-4:00

Members \$240 | Non-Members \$255

FUSED GLASS SUSHI DISH

Instructor: Patricia Doyle | Skill Level: All

This class is intended for students with beginner experience who want to take their glass fusing skills to the next level! In this one-day course you will learn further skills involved with glass fusing including more difficult cuts, more material control instruction, kiln and mold preparation, firing schedules, and more. Create a beautiful sushi dish to be fused and slumped in the kiln at the end of the day! Each piece requires two kiln firings so pieces will be available for pickup later in the week. Price includes use of tools and all materials. This class will qualify members to use the glass studio on a drop-in basis.

November 16 (Tues) 4:30-8:30

Members \$90 | Non-Members \$105

GLASS

FUSED GLASS CHRISTMAS ORNAMENTS

Instructor: Patricia Doyle | Skill Level: All

This is a great class for both beginners and those who have played with fused glass before. In just 2 hours you will learn some of the basic skills needed to start creating fused glass projects on your own, including glass cutting, grinding, material control, layering, kiln knowledge, and more. You will make 3 Christmas ornaments from a variety of designs offered. Projects will be fired and ready for pick up a few days after class. Price includes use of tools and all materials.

Date Options:

October 26 (Tues) 6:00-8:00

November 17 (Wed) 6:00-8:00

November 23 (Tues) 6:00-8:00

Members \$45 | Non-Members \$60

FIBRE

FIBRE ART IN FRAMES

Instructor: Emily Fraser | Skill Level: All

Explore creating an abstract or scenic picture using recycled fibre and wool roving. Collage with Colour! Tamper with Texture! Leave with a framed piece and ideas for more. Price includes one frame and all fibre materials. You are welcome to bring along an extra frame and something you would like to incorporate into your art.

October 28 (Thurs) 6:00-8:00

Members \$40 | Non-Members \$55

SPECIALTY

INTRODUCTION TO BOOKBINDING

Instructor: Silmara Emde | Skill Level: Beginner

Get started in bookbinding with these easy-to-learn yet durable techniques. Learn to make books using folds and stitches, and complete two or more finished books ready to use as journals, sketchbooks, scrapbooks, zines, or to offer as gifts. No experience required. All supplies and tools will be provided, but you are welcome to bring your own special papers or artwork if you wish.

October 4 (Mon) 6:00-8:30

Members \$70 | Non-Members \$85

BRING IN YOUR GROCERY RECEIPTS!

When you bring Your Nature's Fare grocery receipts into the Arts Centre, we receive 3% of the pre-tax total in donations! This simple gesture makes a big difference and we are grateful to Nature's Fare and to all those who support this amazing Community Giving Program.

WAYS TO SUPPORT YOUR ARTS COMMUNITY

Looking for other ways to support the Arts Centre and community arts programming? Make a monetary or in-kind donation through the Arts Centre or Arts Council. Volunteer your time. Refer your friends. Give a positive review. Follow, like and comment on social media. Shop local. Attend an exhibit or event. Every act is appreciated.

CLASS REGISTRATION INFORMATION

REGISTER IN PERSON OR BY PHONE: Full payment must be made at time of registration. Please note prices and dates are subject to change without notice.

CANCELLATIONS: A full refund will be provided if the Arts Centre cancels a class and we will do our best to provide students with at least 72-hours notice. The VCAC reserves the right to cancel or postpone classes due to low enrollment, unavailability of instructors, or other unforeseen circumstances.

WITHDRAWAL: Full class refunds will be given if students withdraw 5 or more business days in advance of regular classes. At least 15 business days is required for guest artist workshops and week-long classes. No refund will be issued if students withdraw with less notice than stated above.

DISCREPANCIES: On occasion, course information and/or fees may be incorrectly printed. VCAC reserves the right to correct pricing or course details at the time of registration.

We acknowledge that the Vernon Community Arts Centre is within the ancestral, traditional, and unceded territory of the Syilx Nation.
